

The Family 2 Family Health Information Network...

“committed to providing information, referral and education to those caring for children with disabilities or special health care needs”

The Ohio F2FHIN is a project of Family Voices of Ohio funded by Health Resources and Services Administration (HRSA)

How to become involved...

The Family 2 Family Network has an advisory board, comprised of parents of children and youth with special health care needs and the professionals who serve them. We welcome your input. Please contact us to share your ideas and suggestions.

How does the Family 2 Family Network assist families?

- ♥ Provides public benefits information to families of children and youth with special health care needs, and others
- ♥ Helps families navigate various health care systems and supports to ensure their children can live at home
- ♥ Creates and/or shares opportunities for parents and professionals to work together to ensure children and youth with special health care needs are active participants in their communities
- ♥ Helps families have an active “voice” in the decision making process about their services and supports
- ♥ Mentors other parents to work in different regions of the state to become resources for families just beginning the process of navigating these complex health benefits’ systems
